Yes. I am available to talk on Monday and I'm looping in the Case Manager, Brittany Martinez. As EPA has regulatory timeframes for processing nondiscrimination complaints, we are eager to move the ball forward on this matter. So we need to talk about how we would coordinate if that's the path forward from USDA's perspective, who is USDA's point of contact, when can we have a larger meeting/ discussion, etc.

Thanks for reaching out. My phone number is 202-564-7299.

I will be on travel tomorrow through the end of the week but can respond and also get on the phone as needed. My team is working on a response.
